The Andreas Cove Yacht Club (ACYC) is **actively seeking new members**. Members do not need to own a boat. The ACYC is a family-oriented sailing club located in the heart of the Delta. Our clubhouse is located at **Brannan's Island Time Marina**, 1200 W Brannan Island Rd. Isleton Ca. Hwy 12 three miles east of Rio Vista and south on Jackson Slough Rd. The ACYC activities center around sailboat racing and cruising on the San Joaquin River, culminating in the annual "Frank's Tract Regatta. In addition there are many local and long distance cruises and social events throughout the year.

Our membership includes American Sailing Association certified instructors who provide seminars of interest to our membership.
