Stan reports Paddle to the Sea event dates have been changed to June 8-11 for the Delta leg. Ron Kuris will be bringing a boat from Stockton to Berkley with Paddle to the Sea members on board. It would be ideal to have more than one boat making the trip. Anyone interested please contact Ron. As information becomes available it will be posted on the yahoo group site. Planning for dinner was deferred until we have a better idea of the number of participants that will be there.

Port Captain

Underwater survey of the club revealed inadequate/deteriorating flotation. Although many members have been looking, no poly barrels have been purchased due to a higher than expected cost. A motion was made and passed to increase the budget for barrels to 500.00 for 8 to 10 barrels.
